On ~~Part~~ B for September 1894

SUBJECT.

Request the sanction of Govt to a grant of Rs. 100
a month for the feeding of the students of the Sanskrit
College in the Behan.

note.

The Board requests that a ^{monthly} contribution of 100 Rs from muzasai funds be made towards the cost of feeding the students of the Sanskrit College in the Anna Bhattham in Bangalore. The Bhattham is one of the institutions made over to the Municipal Board in lieu of Police Charges and they have complete control over it. During Mr. Srinivasachari Vee. Presidency the whole lot of Sanskrit students appear to have been quartered upon the Bhattham without any resolution of the Board and they consume all but 28 Rs out of the total feeding grant of 115 Rs a month. The Board complain that the object of the

Chatham was to feed
 poor wayfarers and
 travellers and that the
 regular feeding of
 Sanskrit Students is
 a perversion of the
 primary object of the
 Charity. The Board
 of course have a
 perfect right to turn
 them out but they
 are averse to taking
 such a summary
 step and request
 that a grant of 100 Rs
 a month may be
 made from Muzrai
 funds

note

The grant of 800 Rs was not Conditional upon the feeding of students in the Chhatram. It was simply a grant which lapsed & was made over to the Municipal Chhatram.

It is clear that the Dewan in 1884 declined to interfere with the discretion of the Municipal Board in the matter of feeding the students and that the grant of 800 Rs was made before the Board resolved to maintain 10 students. It is rather

curious that in 1892 at the instance of the Supt of the Sanskrit College Govt should pass orders for the feeding of 15 students without reference to the Municipal Board while the the Dewan in 1884 referred the question of feed

from the Dewan "

Government Proceedings No

 L. F. 421 92
 Calling for reference the papers
 Connected with the Muxrai
 grant of Rs 800-... to the
 Bangalore Anna Chattram.

Adverting to the above,
 I beg to state that the papers
 called for in the above were
 not with me. However on receipt
 of the above order I wrote to the
 City Municipality and obtained
 from them the original letter
 of the Education Secretary No.
 955 dated 30th June 1884 on the
 subject of feeding certain
 students of the Bangalore Sanskrit
 College in the Anna Chattram
 and also a copy of the Muni-
 cipal Board's Resolution thereon.
 These papers are herewith submitted
 for reference.

2. As regards the order
 transferring the Muxrai grant
 of Rs 800-... to the Chattram
 I beg to state that the said
 order must have been issued
 from the General Department

as at that time there was
no separate Museum Office
I sent a requisition for it
to the General Records and have
not been able to obtain it as yet.

3 In this connection I
beg to bring to the notice of
the Councilor that the annual
grant of Rs 800 in question
is being provided for, every
year in the Museum Budget,
and the latest order issued
under the orders of the Dewan
on the subject is the one dated
14th March 1892 (copy herewith

Contg. Govt. No. 14982-60

of 10 March 1942 - 92

Govt.
The Anna Chattram in the Bangalore City was a Murgraji Institution of the State with a yearly grant of Rs. 763-5- (or Rs. 764)

By order of Govt. passed in No. 726th May 1883 the City Municipality was relieved of Police charges amounting to Rs. 26,578 on condition of the Municipality taking over and maintaining certain local charities including the Chattram, and amounting in all to Rs. 17,811

Rs. 26,578
17,811
8,767
⑧ and Rs. 3500 the
D.P. contribution
for the maintenance
of Suburban Ward
Rs. 5000 land rev.
- now, total 8500
were also ordered to be
withheld. but it appears
that subsequently the
land revenue was given
back to the Municipality

Thus since then in transferring these items to the Municipality the Govt. observed
"The Govt. are of opinion that the adminis-
-tration of local medical and other charities
" and of local educational institutions
" teaching up to a certain standard may
" properly be handed over to the Board as
" the local experience and interest which
" it must be able to bring to bear upon their
" management must be of great benefit
" to the institutions concerned."

Thus since the above order the Chattram became a Municipal Institution and the Murgraji grant of Rs. 764 ceased to be paid to it, as the Municipality itself was bound to continue the feeding & other charges at its own cost

In 1884 a grant however, a grant of Rs. 800 per annum which was previously being paid from the Murgraji funds to the late Govindachetty's Chattram in the Civil and Military Station was transferred to the City Chattram and it has been enjoying it since then. The order granting this fund to the City Chattram has not been received, to be for what object the grant was made.
In June 1884 the Education Secy

with his letter No 955 of 30 June/84 forwarded to the Municipality for disposal that a petition of Sanskrit Students, to be allowed (1) to occupy the Govt. Chattram and (2) be provided with food. The Board on 29 July 1884 resolved that no accommodation in the Chattram could be provided for the students at that "as a temporary measure students who are in need (not exceeding 10 in number) may be allowed to be fed in the Chattram".

There is nothing to show that this resolution ^{fed} maintain 10 students was passed in consequence ~~sidepation~~ of any obligation thrown on the Municipality by its having received the grant of Rs 800.

The resolution, however, was not carried out for nearly eight years until the Govt. ordered in No. No 562-3 714 March 192, that 15 deserving students should be fed in the Chattram.

The Board now finds that the feeding 15 students costs nearly 650 Rs a year, that deducting ~~it~~ from the grant of 800, only a small sum is left for feeding needy travellers, Brahman, Gosais or Bhairagis. Therefore a proposition was placed before the Bd. to the effect that the Govt. be solicited to grant 50 Rs more monthly (or Rs 600 annually). But on Mr Leonard's amendment it was resolved to apply for a grant of Rs 100 a month (or Rs 1200 a year) in addition to the old grant of Rs 800.

The Mayor says "Let the Municipality be relieved of the from feeding the students. Let it give back the grant of Rs 800 to the Govt. and I shall feed the students".

The Municipality has not made out a case for asking for 1000 Rs. more when the students cost about Rs. 650. It may be stated here that recently another Chattram called the Pilgrim Chattram has been established and it affords accommodation, feeding, and medical treatment also to many travellers who would otherwise have resorted to this Chattram.

Para 6. Prior to our taking up the actual management it seemed to us evident from a perusal of the Chattram daily Register that the names and other particulars of the students of the Sanscrit College receiving food in the Institution were not being shown at all in the Register and that the total number of the students fed every day was only being shown. With a view to prevent suspicion against the veracity of the entry, we directed the full particulars being given regarding them. The Chattram gets a monthly grant of Rs 115/1/4 for the purpose of feeding. It is needful to mention that the primary ob-

of Government in founding the Charitable Institution could have been possibly no other than that of providing food and shelter for houseless and needy travellers Brahmins, Gosais or Bhyrages. It is and must be no doubt, the duty of the managers of the Institution to see that the original object of the endowment is religiously fulfilled. We rather find it difficult to believe that the feeding of the resident members permanent or temporary was ever the intention of Government when the Charity was founded. It will be seen from the enclosed statement that only a very small sum of Rs 28/4/1 out of the total grant of Rs 115/ and odd is left for the purpose of feeding the actual travellers. The daily average number of them cannot therefore be

more than $8\frac{4}{5}$. The cost of meal once a day per head is shown to be at one anna and $9\frac{1}{2}$ pies. Therefore the cost of feeding 450 students at 15 per day is Rs 50/6/3 which sum we are inclined to think cannot be regarded as a legitimate charge on the Institution and which must in fairness be appropriated towards the feeding of travellers only, which we feel constrained and hold this opinion. We wish to be distinctly understood that we are not at all opposed to the Sanscrit students being fed in the Chattram and to the Chattram servants being employed to prepare food for them also. We shall certainly be glad to feed them provided the Government is pleased to order monthly payment of the said amount of Rs 50/ and odd for this special purpose.
